- Participate in relationship-building with collaborators and partners;
- Work with collaborators and partners to identify and create appropriate knowledge translation activities (e.g., presentations, meetings, infographics, videos, social media campaigns)
- Support membership management for Lab members; and, work with lab members to establish shared goals and priorities.

Research Assistant, ‘Global Citizens at Home and Abroad: A Durkheimian Analysis’

The University of British Columbia, Vancouver, BC

2020—Present

- Supports UBC’s Urban Ethnographic Field School (UEFS) with student placements, student mentoring, and UEFS and community partner events. Spent multiple summers working at the DTES Neighbourhood House’s Urban Farm, a food security initiative with UEFS. Supports research and teaching-related requests for Dr. Thomas Kemple.

Research Affiliate, The Two-Spirit Dry Lab (2SDL)

British Columbia Centre for Disease Control (BCCDC), Vancouver, BC

2019 – 2023

- Collaborates with two-spirit activists and public health researchers on forthcoming quantitative analyses of the *Sex Now* dataset, particularly reviewing the health and wellbeing of two-spirit individuals in Canada. Supports the development of indigenous methodologies and theory development (e.g., the two-eyed seeing approach) and how they enhance quantitative post-modern, medical sociology, and epidemiological methods.

Research Assistant, Oceans as Archive Conference

The University of Amsterdam, Netherlands

March 2022 – July 2022

- Through the support of Dr. Renisa Mawani, I co-presented, with Kiran Sunar, an original analysis on recent constructions of the ocean as a site of global food security and how historic anthropomorphic engagements with riverways problematizes these formulations. Co-moderated, with Kiran Sunar, presentation panels ‘Ecologies of Practice’ and ‘Listening to the Ocean’. Assisted with the conference as needed.

Research Assistant, Governing Food, Bodies, and Families in Canada

2020 – 2022

The University of British Columbia, Vancouver, BC

- Worked with Dr. Sinikka Elliott (PI) and Umay Kader (RA) on a Social Sciences and Humanities Research Council (SSHRC) funded project food insecurity among Canadians. My work aligns dissertation work on queer food insecurity and employs quantitative and qualitative analyses to determine the scope of food insecurity among queers in Canada and assesses factors that influence vulnerability and resilience among food insecure participants.

Investigaytor

Community-based Research Centre (CBRC), Vancouver, BC

2019 – 2020

- Attends weekly meetings with a diverse group of gay men and queer individuals to discuss sexual health knowledge translation (e.g., PrEP uptake in BC), qualitative health-based research methods, and data management and statistical analyses of the *Sex Now* survey, an online and in-person, periodic, cross-sectional survey of over 8,000 gay and bisexual men across Canada.

Research Assistant, Governing Food, Bodies, and Families in Canada

2017 – 2018

The University of British Columbia, Vancouver, BC

- Conducted fieldwork on food insecurity with Dr. Sinikka Elliott. Completed an ethics application; volunteered regularly at a food bank in East Vancouver while producing extensive fieldnotes of my visit, interactions, impressions, and observations of the food, the recipients, and the volunteers. Transcribed 12 interviews.

Editorial Assistant, *The Journal of Health and Social Behavior* (JHSB)

The University of British Columbia, Vancouver, BC

2016 – 2018

- Supported Andrea Polonijo (Co-managing Editor, PhD in Sociology, UBC) and Dr. Richard Carpiano (Professor of Sociology, Member of the School of Population and Public Health, UC Riverside) with submissions to the *Journal of Health and Social Behavior*, published on behalf of the American Sociological Association.

Research Assistant, NORC at the University of Chicago

1155 East 60th Street, 2nd Floor, Chicago, IL

2015 – 2016

- Supported Dr. Stuart Michaels' study work addressing LGBTQ+ health disparities in the United States
- Led survey development for the Centers for Disease Control and Prevention (CDC) on a survey that probes U.S. adolescent (13 to 18 years old) sexual health knowledge, attitudes, beliefs, and practices and their access to HIV prevention materials
- Recruited and monitored study participants for PrEP Chicago, a network-based HIV prevention intervention run by the Chicago Center for HIV Elimination for young, gay, black, Southside men and transwomen that leverages social media and focus-group seminar data to combat new HIV infections
- Located hard-to-reach study participants for uConnect, the largest single cohort study using network science to examine HIV risk factors among young black men ages 16-29 (n = 616) on the Southside of Chicago
- Led cognitive interviews for the Medicare Current Beneficiary Survey (MCBS), piloting gender identity and sexual orientation questions

CivX User Experience & Design Sprint

The University of Chicago, Chicago, IL

February 2015

- Reduced Legal Assistance Foundation's (LAF) "no contact" call rate from online applicants by almost 20% with a team of University of Chicago Master's students.

Associate Project Manager, MNG Direct

Bensalem, PA

January 2014 – September 2014

- Managed project timelines and client expectations for account, design, editorial, and operation teams to create media campaigns targeting physicians on 40+ pharmaceutical marketing projects

Associate Project Manager, Bioclinica

Newtown, PA

March 2013 – August 2013

- Managed the internal processing and evaluation of imaging data for oncology clinical trial account work
