## RESEARCH EXPERIENCE

---

2023

**Research Assistant**, Physical & Health Education Canada

- **Knowledge Synthesis:** Synthesized scholarly literature and research results from focus groups to develop a digestible resource guide for educators on Newcomer inclusion in sports and physical activities.

2019—2021

**Master's Thesis**, University of Ottawa

- **Research Design:** Independently designed a critical ethnographic study that mirrored program evaluation research to investigate the invisibility of queer South Asian women in Pride Toronto.
- **Data Collection:** Developed performance tracking metrics to measure the effectiveness of DEI initiatives for multiply marginalized groups in Pride Toronto.
- **Findings:** Made novel research discoveries about the discrimination against LGBTQ+ South Asian women.
- **Research Mobilization:** Analyzed the data to make compelling evidence-based recommendations for inclusive programs and practices in LGBTQ+ organizations.

2020—2021

**Research Assistant and Co-Facilitator**, Physical & Health Education Canada

- **Data Collection:** Facilitated focus groups with LGBTQ+ students and educators across Canada. Developed and facilitated interactive DesignLab workshops to identify barriers to participation for queer and trans youth in school sports. Guided students to design school-specific inclusive physical activity programs.
- **Knowledge Synthesis:** Developed a digestible resource guide for educators using the research findings on LGBTQ+ inclusion in sports and physical activities.

2019

**Contract Researcher**, Department of Words and Deeds

- **Research:** Conducted an extensive literature review on approaches to monuments to inform decision-making for the National LGBT Purge Historic Monument Project.

- 2019 **Research Assistant**, Faculty of Social Sciences, University of Ottawa
